Dear Mr Daw

### Proposed Wind Turbine at Clotworthy Farm

A small group of Coldridge and Nymet Rowland parishioners met yesterday to discuss the reaction to this proposal and to decide on the next steps to take.

One of the proposals of the meeting was to undertake a comprehensive survey of those likely to be affected so that a true picture of local opinion can be assessed. We agreed that it would be courteous for you to have sight of the questionnaire before we start the survey.

A copy of the document is enclosed and we would welcome any comments you may have. You will appreciate that time is of the essence here and we would appreciate your reply by the end of this week. A stamped, addressed envelope is enclosed.

Yours sincerely

Roland Smith
